

We want to take a moment to express our deepest gratitude to someone who has been the soul of our society - our President, Prof. Kausik Ray MD FMedSci.

For the past 4 years, you have led us with dedication, inspiring vision, and a passion that has united us all. Your leadership has been navigating challenges with grace and turning aspirations into achievements.

Under your stewardship, we have grown stronger, achieved milestones, and fostered a sense of belonging that makes this society so special. You've been more than just a leader; you've been a mentor, a motivator, and a true friend to so many of us.

From planning initiatives to heartfelt conversations that reminded us why we do what we do - you've shown us what it means to lead with purpose and compassion.

As we look ahead, your legacy will continue to inspire us, and we are so grateful for everything you have done to shape this incredible journey.

This isn't goodbye. It's a celebration of everything you've accomplished and a promise to continue building on the foundation we've laid together.

Here's to you, Kosh. You will always have a special place in our society.
